

Do you want to improve the provision of services to children with disabilities and their families?

Do you want to include children and young people with disabilities and need funding?

Disabled Children's grant funding could help!

Disabled Children Small Grant Fund is available for community and voluntary groups and clubs in Telford and Wrekin.

From £200 up to £2000 is available per project to help support organisations working with young people to include children and young people with disabilities and improve the quality and variety of mainstream leisure activities which they can enjoy.
